MedShield Paramedic/EMS Customized Medical Cases

Designed by doctors, paramedics and emergency medical technicians, our Medshield customized medical cases are waterproof, dustproof and made to withstand the harsh conditions encountered in the field.

Medshield medical cases are available in medium and large sizes, and have reconfigurable machine-washable padded dividers or optional modular insert cases.

- Case shell made of durable polypropylene (PP)
- Certified with STANAG 4280, DEF STAN 81-41 and ATA 300 standards
- Automatic air pressure compensation valve
- Strong, dust-proof, waterproof, IP67 certified
- Temperature resistant from -30 up to +80 degrees centigrade
- Rubberized handle
- Stackable
- Two eyelets for padlocks (0.3 inch)
- 30 year warranty *1

We dropped our case 75 feet and it sustained no damage! When life depends on it, you want equipment that you can always count on.

Each case is equipped with a sturdy, weather resistant, ergonomically designed shoulder strap

Multiple layered chemical resistant lid insert will hold and secure medical supplies during transport

The divider inserts are made of reconfigurable machine washable, heavy-duty nylon fabric.

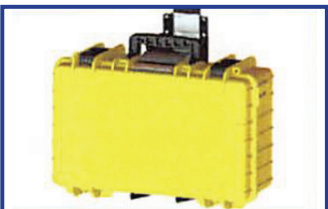

Night luminous latches make them easy to find and open at night and dark environments.

The detachable hinge allows for complete removal of the lid.

A sturdy, weather resistant, comfortable backpack system available as another option.

An optional wall mount allows attachment of case to a wall.

Modular Medical Insert Packs

MedShield-300 Large Medical Case with modular medical packs and reconfigurable machine washable padded dividers

MedShield customized medical cases are also available with individual medical insert packs: the injectables pack, the fluids pack, and the universal medical insert pack. This provides flexibility with the design layout. Our MedShield-300 medical case can hold all three packs and some reconfigurable washable padded dividers. The MedShield-200 medical case can hold the individual medical packs or reconfigurable washable padded dividers.

Optional Modular Fluids Pack

Optional Modular Injectables Pack

Optional Modular Universal Pack
